NO NEED TO CARRY ANY CABLES

SCORPION™ 12000X

Slim Universal Battery with built in Lightning
Micro USB, Type C and USB Charging Cables

Selling Point

No need any cables

· Built-in Lighthing and Micro USB, Type-C charging cables allow users to charge most of their devices so they won't need to carry cables for charging devices.
· Built-in USB recharging cable allows users to charge the Scorpion easily without carrying a cable. Traveling anywhere, users can charge Scorpion very easily.
· Built in output and input cables with path-through technology and it can operate as one complete charging cable so users can use Scorpion as charging cables between devices and charger.

Path through cable

Built in output and input cables with path through charing function and it can operate as one complete cable so users can use Scorpion as charging cables between any 5V charging devices and chargers.

Convenient

· Simultaneous charging of 3 devices with built in cables allows you to share your power with a friend or family member.
· With Pass through charging, you can charge your phone and Scorpion together at night and you can carry both with fully charged in the morning

Compact & Slim

· The Scorpion packs a 12,000mAh battery capacity, built-in 4 cables and high-tech circuitry into an extremely portable form factor only as wide and high as iPhone6 with only 15mm thickness
· Since most users will carry their Scorpion daily, they will love the comfortable feel of its compact size.

MFI

Passed a strict APPLE MFI standard, it will assure perfect compatibility with iOS devices.

Safety

Multi protection circuit and strict tested lithium polymer battery can give users most safe using experience.

Stylish

Stylish Check pattern make Scorpion as high end collection for users and it will make users highlighted with others.
