iPhone 12 Fast Charger

20W USB C Charger for iPhone 12

Selling Point

20W Fast Charging

Charging speeds 2.5× faster than 5W normal charger, charge your iPhone 12 max from 0 to 50% in around 30 minutes.

Power Delivery

Fast Charging iPhone phones via USB C to Lightning Cable and other Android Phone via C to C Cable.

Safe and Reliable

Built-in safeguards protect your devices against excessive current, overheating, and overcharging

Ultra-Compact Design

Smaller than other wall charger, only 34.8 x 34.8 x 57mm won't obstruct other outlets, and won't fall out from outlets.

Travel Ready

With a small size, the ultra-small design fits effortlessly into any pouch, bag, or pocket. Power has never been this portable
